Dear Mr. Sauve:

Re: Annual Report 1986, White Mountain Gypsum, ACT/027/001, Millard County, Utah

It is my understanding that the Division's annual report form is, for the most part, not applicable to your gypsum recovery operation. It is sufficient for our purposes if you would send us a letter stating how much gypsum that you removed in 1986 and how much area remains unreclaimed at this time.

If you can, please send us this information before March 31, 1987. Should you have any questions or need additional information, please contact me or Frank Filas of my staff.

Sincerely,

L. P. Braxton
